

The image shows the back of a yellow, rectangular electronic device, possibly a portable music player or a small power supply unit. It is resting on a light blue fabric surface. A white rectangular label is placed over the center of the device. Above the label, there is a small, rectangular, yellow plastic component with a silver metal strip and several small gold pins. Two circular holes are visible on the left and right sides of the device, flanking the label. The device is partially covered by a white fabric at the top and bottom edges.
